

Sample Input:

```
{
  "input_data": [
    {
      "fields": [
        "Month/Year Ship",
        "Category",
        "Region"
      ],
      "values": [
        [
          "February, 2018",
          "Technology",
          "East"
        ],
        [
          "February, 2018",
          "Office Supplies",
          "West"
        ],
        [
          "February, 2018",
          "Furniture",
          "South"
        ]
      ]
    }
  ]
}
```

Sample Output:

```
{
  "predictions": [
    {
      "fields": [
        "prediction"
      ],
      "values": [
        [
          8545.37115271797
        ],
        [
          5788.413496715118
        ],
        [
          1993.4252457667903
        ]
      ]
    }
  ]
}
```
